# THE INTEGRITY ADVANTAGE

There are a number of things that we believe make our boats leaders in their market. All of these features have been considered, designed and implemented to make your boating experiences more enjoyable. Introducing the integrity advantage.

## **CLASSIC STYLISH LINES WITH A CONTEMPORARY FEEL**

The inspiration for our range comes from the traditional cruising motor yacht, featuring timeless classic lines. We apply contemporary design elements to ensure our range have a striking on water appearance.

## **PROVEN DISPLACEMENT HULL WITH CLASS LEADING BEAM**

With a number of our boats having travelled many thousands of sea miles, the seakeeping abilities of our range is without question. The class leading beam ensures stability in all conditions, particularly when at rest. The displacement hull, greater beam, full length keel and additional weight ensures navigational stability in all seas or when at rest.

## **MINIMAL HULL SLAP**

A little thought about but very important feature, as anyone that has tried to sleep in a boat with water slapping under the hull knows is most annoying. Our boats have no planing strakes meaning no slap at rest.

## **SOLID HAND LAID FIBREGLASS HULLS FOR STRENGTH AND DURABILITY**

Our hulls are laid up to survey standard along with vinyl ester tie layers for strength, durability and osmosis protection. FGI Gelcoat is used on the exterior of the hulls especially applied to suit Australian conditions.

## **FULL LENGTH KEEL ENCASING THE PROPELLER AND RUDDER**

The full length keel assists with stability while offering protection to the propeller and rudder. Should you run aground, simply back off and continue your journey.

## **EASY TO HANDLE WITH EFFORTLESS DOCKING**

Bow and stern thrusters as standard on each model offer finger-tip control ensuring simple and easy berthing in all conditions. The helm door and through rail access makes

single handed step on - step off berthing a breeze. Side rail and stern access from the swim platform means marina and jetty access is safe and simple, no leaps of faith required.

## **360 DEGREE WIDE WALK AROUND DECK**

There is full easy access to all areas of the boat, with wide side decks and high bow, stern and hand rails ensuring safety for passengers and pets at anchor or underway.

## **LARGE SWIM PLATFORM**

The extensive swim platform features a sturdy deep water ladder, plus retractable hot and cold freshwater shower. Stainless stern rails can be added to house BBQ's or preparation boards, tenders and rod holders.

## **INNOVATIVE COCKPIT DESIGN**

The beamy cockpit layout features full wrap around padded seating with a drop down teak table, creating additional accommodation or a day bed along with under-seat storage and self-draining ice box. Combines with the large hopper window and door, spacious saloon and aft galley to create the ultimate entertaining layout. The ice box can also be converted to take a portable 55 or 75 litre Waeco fridge/freezer.

## **GENERATOR AND REVERSE CYCLE AIR-CONDITIONING**

Onan diesel powered generator offered standard allowing for all of your 240V electricity needs including coffee machine, toaster, juicer, hair dryer and more. Ducted air-conditioning is available offering cold and hot air during temperate or cooler climates.

## **LARGE STAINLESS STEEL HOPPER WINDOW AND DOOR**

Critical to creating the flowing cockpit, galley and saloon layout, the sturdy stainless steel hopper window and door is a trademark feature of our range. Each model benefits from this design trademark.

## WELL APPOINTED AFT GALLEY

---

Large fridges, double bowl sink with flick mixer, modern corian style bench tops, microwave and glass twin top hotplate are just the start. Considerable storage is a feature along with additional refrigeration options.

## SPACIOUS ACCOMMODATION

---

Recent design improvements have led to more spacious and roomy accommodation in the bedrooms, featuring full size comfortable island beds. The saloon and cockpit tables lower to create additional double bed accommodation across the range. Cedar lined full length cabinets ensure your clothing is stowed moisture and pest free.

## SEPARATE HEAD AND SHOWER COMPARTMENT

---

Rarely offered in boats of this size, a separate shower ensures little water splash throughout the bathroom and more room to enjoy your shower. Offers privacy for those using the shower or toilet.

## ALL WEATHER COCKPIT COVERS

---

Full insect and weather covers are fitted to the cockpit and side decks. When in place, limits weather in the cockpit and creates an additional enclosed living area.

## RELIABLE FUEL SUPPLY SYSTEM

---

Racor fuel filters with isolation taps are fitted to bypass blocked filters and reduce the chance of contaminated fuel. Separate ball valves are installed to assist the return or transfer of fuel, and sludge tanks with ball valves for ease of draining are included in the fuel tanks.

## LONG RANGE CRUISING WITH LARGE WATER AND FUEL CAPACITY

---

The long-range performance, economical and mechanical capabilities of our range is supported by considerable fresh water storage and saltwater wash down facilities. Large fuel tanks are also on board, with the option of adding a water maker to extend the cruising capability.

## INNOVATIVE ELECTRICAL SYSTEM MANAGEMENT WITH SOLAR

---

With advancements in solar capabilities and advanced power management systems, your Integrity when fitted with solar can operate for lengthy periods without the need for shore power or generator.

## FACTORY BACKED DEALER NETWORK

---

We maintain Independent Dealers in all major territories, offering full warranty and service support. We appreciate the opportunity to assist our owners with whatever little headaches may arise, and we never let them down.

## MORE THAN OWNING A BOAT

---

Rather than focusing on selling a product, we prefer to introduce our owners to the ultimate lifestyle experience. We offer a series of on-water and off-water events exclusive to those who purchase a boat from our range. Fully escorted trips allow our owners to expand their navigational and boating experiences in the company of other owners and our experienced team members.

## INVESTMENT IN A TRUSTED BRAND

---

Integrity Motor Yachts is the leading displacement motor yacht brand in Australia. With over 100 motor yachts sold and the backing of a dealer network, there's certainty in knowing you're investing in a known and well respected brand with strong resale value.

## 2018-2019 PRODUCT ENHANCEMENTS
